Thomas Greco: The tyranny of the global money system and how we can free ourselves from it (in English)
+ discussion

Workshop Presentation Discussion

2023

Atelier

Description

History

Thomas H. Greco, Jr. has for more than forty years been researching, writing, lecturing, and advising in the fields of money, mutual credit systems, community currencies, and financial innovation.

The intention of this meeting is to highlight possible practicable projects to go beyond state legal tenders.
